Colors come from nature.
Some of the most common molecules
in nature are carotenoids, chlorophyll,
and anthocyanin, which are
known collectively

The colors live a remarkable
life of their own after they have
been applied to the canvas.

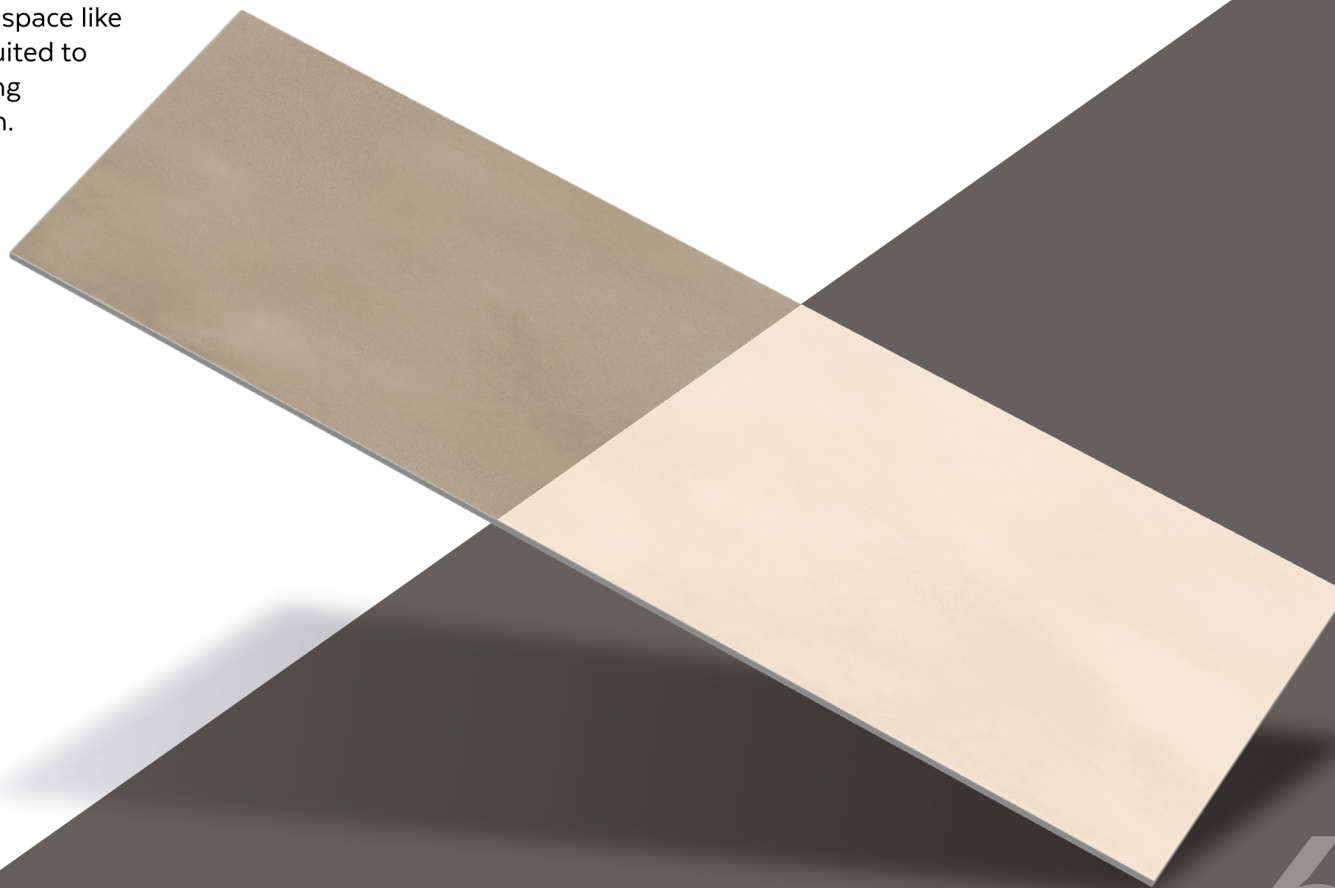

COLORS

COMBINATION

Matt tiles do not open up space like gloss tiles, so are better suited to larger rooms where creating more space isn't a concern.
Lighting.

The biggest difference between the two tiles is glossiness and shine.
