DISCOVER THE CAPTIVATING ALLURE OF SPECTRUM TILES PERFECTION

The classic beauty of a Spectrum collection can elevate any area.
The polished finish gives an impression of refinement and richness to any space.
Polished finish mimics the beautiful elegance of real marble, making them ideal for classic and luxurious design; they provide a high-end look.

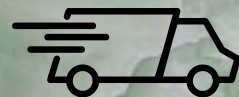

Tiles with a surface that captivates the eye and withstands the test of time.

our durable tiles are engineered for a lifetime of elegance.

Our Spectrum collection is already available in stock or deliverable within ordinary time.

Modules 60x120 are easy to transport and lay. They adapt to large and small walls and floors without waste.

Transform your home into a symphony of light and style with our Spectrum tiles

Colour leaves a long-lasting impression in our minds and creates an association with different things in life. Every shade expresses emotions and reflects a distinctive style. Lemel Introduced the Spectrum tiles with a polished finish. It has created an elegant style of ceramic tiles that look like a spectrum of vibrant colors. It provides an opportunity to craft enchanting spaces that one can never forget. The graceful and vibrant finish of these tiles forms the ideal surface for interiors.

Redefining the boundaries of modern living

Catering to diverse needs across various environments, our versatile tiles redefine functionality and style. From the warmth of residential kitchens to sleek, professional commercial spaces, our tiles seamlessly adapt to every application with finesse. Crafted with preciousness and durability in mind, they also elevate the ambiance of the bathroom and living room.

**Experience The Combination
Of light and colors That creates
a mesmerizing ambiance.**

Spectrum tiles have a smooth surface that enhances the shiny feature of the pattern. Lemel offers this collection in various sizes, colors, designs, materials, and prices. These tiles optimize light reflection, giving your space a polished appearance and making it appear larger and brighter.

Modern technologies and premium materials are used to make these gorgeous collections. Our reflective tiles give any space an opulent, airy impression.
