WHIRLPOOL SYSTEM (JACUZZI)

Hydromassage Benefit

The actions of the Our Hydro massage bath have extremely beneficial effects on many aspects of your health.

Beyond relaxing and giving energy, improving health both physically and mentally, there are indications that they help to combat type 2 diabetes since they cause a reduction in blood sugar, they also clear the airways with a decongestant effect through to the vapours and the stimulation of the hydro massage, they improve peripheral circulation and ease joint pain. Hydro massage bath sessions also help to treat insomnia.

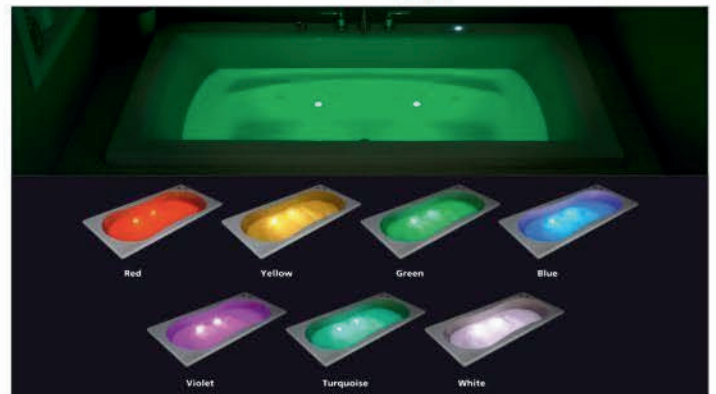

Air Bubble Massage Benefit

Our Air massage is not just a massage of the muscles and tissues of the body. Due to the fact that air bubbles simultaneously affect many nerve endings and receptors, there is an increase in blood flow, improvement in peripheral circulation, tissues and organs are being saturated with oxygen. Swellings are reduced, skin is thoroughly moisturized and its vitality is restored. Furthermore, regular treatments of air bubble massage has a positive effect on fighting with cellulite.

Our Air massage will help relieve some of the painful sensations, neurotic state, relax muscles and become an active tool in the fight against insomnia, normalization of blood circulation.

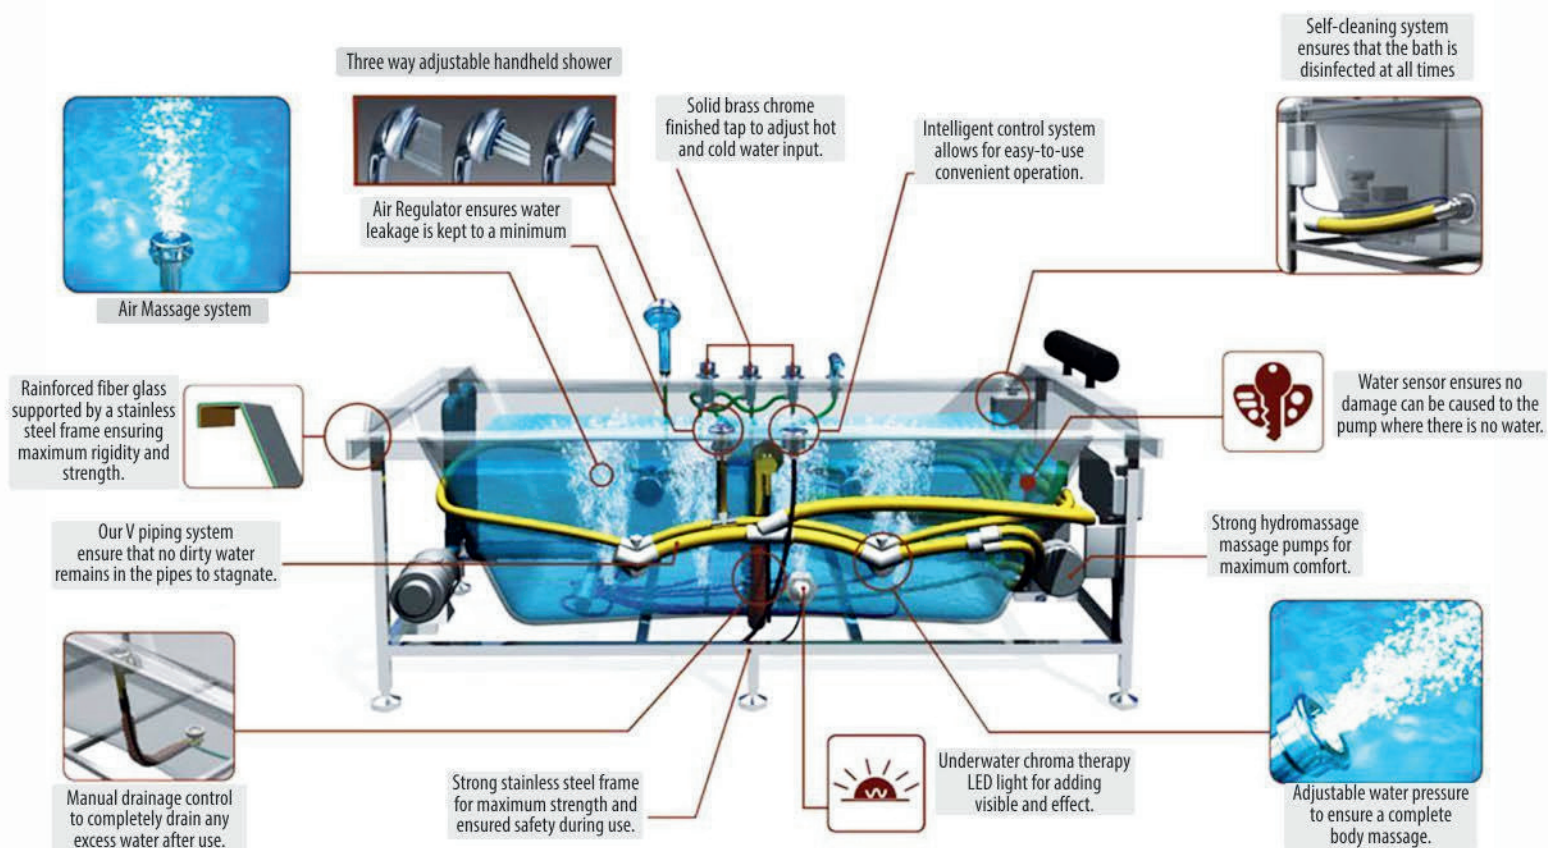

Chromatherapy Benefit

The our chromatherapy bathtub's lighting system infuses your bath water with a range of healing hues, spanning from warm (stimulating) to cool (calming). Soak up the full rotating spectrum, or select the one that best matches your state of mind at a given moment. Blue is for relaxation, and white is for purification of the spirit. Aquamarine supports balance, while green calms the mind. Orange enhances creativity, red creates stimulation, and purple promotes tranquility.

So when you're ready to color your world calm, simply turn off your bathroom lights and open yourself up to the unique and restorative experience of a colorful Orion chromatherapy bath.

5. Bulb

STREAM & SAUNA

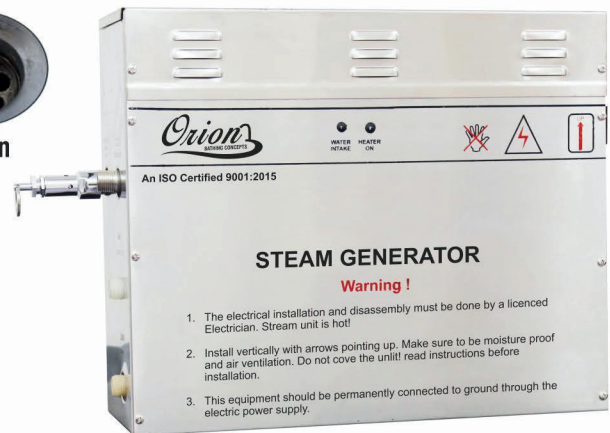

Installation Diagram

Control Panel

Features of Control Panel

- Temperature sensor
- Adjustable digital temperature controller (1C to 99C)
- "On/Off" feather touch switch control
- Auto Drain
- Digital Timer (1 to 60 minutes) with "on/off" switch

Steam Generator

- External body is stainless steel.
- Inter Parts are also made of Stainless Steel.
- Heating elements made of stainless steel for durability and high output
- High density insulation
- Stainless steel water level sensor
- Low water level cut off to ensure heater safety
- Safety pressure release valve
- Auto Drain

SHOWER ENCLOSURE

Shower Encloser (Customise) Frameless

- Strong Tempered Glass
- Rust free high quality hardware
- Designer Door handle
- Magnetic Push Door

Shower Encloser (Customise) Frameless

- Strong Tempered Glass
- Rust free high quality hardware
- Designer Door handle
- 90°, 135° & 180° etc.
