ABOUT COMPANY

- Driven by innovation. Crafted for the world.

Shree Hari Export House is a rapidly growing leader in porcelain slab tile manufacturing in India, delivering design-led, highly durable porcelain slabs for architecture, interiors and furnishing. Backed by cutting-edge technology and a team of industry professionals, we have built a global reputation in just four years by consistently supplying premium products and dependable service to clients and channel partners worldwide.

- Our Expertise

We specialise in world-class porcelain slab tiles that offer elegant, affordable alternatives to natural stone. Inspired by the textures and patterns of nature, our collections combine refined aesthetics with outstanding technical performance — perfect for residential and commercial projects, countertops, flooring and feature walls.

- Why Choose Us

- Technology-driven manufacturing: Modern production lines and quality assurance for consistent results.
- Design leadership: Nature-inspired, trend-aware collections created in collaboration with top designers.
- Scale & reliability: High production capacity and proven export experience ensure on-time delivery for large projects.
- Customer focus: Dedicated pre- and post-sales support to guide product selection, logistics and aftercare.

- Product Philosophy & Catalogue

We merge art and engineering to produce porcelain slab tiles that are durable, low-maintenance and visually striking. Our collaboration with leading designers and engineers ensures collections that stay relevant across changing trends — from minimal and contemporary to bold and rustic. Explore our catalogue for limitless design ideas that give spaces an ultra-designer finish.

- Production & Global Reach

- Location: Morbi, India — one of the world's foremost tile manufacturing hubs.
- Capacity: 13,000 sq. metres per day, enabling reliable large-scale deliveries.
- Global footprint: From the beginning of our export journey in 2018, we expanded rapidly — exporting to more than 20+ countries by 2020 and to over 22 countries by 2022.

VISION FROM FOUNDER

To transform built spaces globally by making nature-inspired, high-performance porcelain slabs the natural first choice for architects, designers and homeowners.

- Design timeless porcelain slabs that capture nature's textures and elevate everyday spaces.
- Build and scale technology-first manufacturing that guarantees superior quality and consistent delivery.
- Deliver exceptional value to our customers and channel partners through service, reliability and transparent partnerships.
- Lead with sustainability — reduce waste, optimise energy use, and source responsibly as we grow globally.
- Empower our people and local community in Morbi through training, safe workplaces and fair opportunity.
- Innovate continuously — marrying craft, engineering and fresh ideas so we stay ahead of design trends and technical needs.

COMPANY HISTORY

2018 — The Foundation

The journey began in 2018 with the launch of Shree Hari Export House as an export-oriented company dealing in ceramic, porcelain and vitrified tiles, along with sanitaryware, hardware and building materials. From the very first shipment, the focus was on building long-term trust through consistent quality, transparent dealings and timely deliveries.

2020 — Expanding Global Presence

By 2020, Shree Hari Export House had successfully expanded its export footprint to more than 10 countries. This phase marked a major milestone, strengthening international partnerships and gaining deep insights into global market requirements, design preferences and technical standards.

2022 — Rapid International Growth

In 2022, the company achieved another significant milestone by exporting to over 22 countries worldwide. This rapid expansion reinforced Shree Hari Export House's position as a reliable global supplier and laid the foundation for scaling up manufacturing capabilities and product innovation.
